

# Free Speech & Language Screening

**A child's work is play and we do our work in a child-lead way!**

- We treat each child *individually* based upon their developmental level
- By tailoring therapy uniquely to each child— better results are achieved
- Therapy is play based and fun : we jump, swing, slide, climb, and **PLAY!**
- Parent involvement is strongly encouraged and highly recommended
- Each new success builds upon the last
- Services are integrated, by working together we work better
